

Dear Friends and Supporters,

Help us celebrate getting back to normal! The Paulding County Hospital Foundation was formed in 1999. Our mission is to support the Paulding County Hospital, promoting high quality health care and wellness for the people in our communities.

Funds raised by the golf outing will help us continue our support for a new isolation room, help to fund our healthcare scholarship program, and support other projects that promote our mission.

We are looking forward to a great afternoon of great golf and a delicious dinner with prizes and gifts – all for a worthwhile cause.

Thank you and see you there!
